

U3APlus

More than 40% of over 50s have hearing loss increasing to 71% in the over 70s.

By 65, 1 in 3 have reduced vision

Background to U3APlus

U3APlus Aim:

To provide advice and support to all U3As to enable them to achieve full inclusivity for all their members as a matter of course.

Open Meetings

Can all your members hear the speaker
– are you sure?

Are the accessible loos really
accessible for a wheelchair user?

Interest Groups

How does a wheelchair user get up the steps to the building where you meet?

Can everyone read the handouts in the interest group?

Outside Agencies

**What would
you do?**

Dementia

‘Despite U3A being a member organisation, we are still viewed as a service provider in terms of being required to make reasonable adaptations so members can be included.’

Equalities Agency Support Service.
